

Current Government advice is that bowling greens can open from Monday 1st June 2020

This Guidance is for English clubs only (at present)

Recommendations to consider before opening your green

- Please be aware that this revised guidance is based on the announcements on Thursday, additional changes announced today will be reviewed as soon as we get the full updated guidance
- The maximum allowed to socially gather is 6 people – this is the maximum allowed at a green and includes anyone at the side of the green
- Test and Trace guidance should be followed if a case is identified and within your club and NHS111 guidance followed in terms of self-isolation (7 or 14 days as directed)
- We have one club where a member has tested positive this afternoon 30/5/2020
- Be aware that not following the guidance puts your club at risk and potential fines can be imposed by the police for non-compliance
- This notice can be revised at any-time should circumstances change

This Action Plan/ Risk Assessment should be used in conjunction with advice from the Government and is intended as a guide to clubs to safely consider all the risks associated with reopening your green. This does not override your landlords right to keep the green closed

Recommendations to consider before opening your green

STAY ALERT – CONTROL THE VIRUS – SAVES LIVES

Phase 2

- Limited Green Opening, Exercise and Practice (Full Social distancing must be maintained 2 metres distance)
- **During Phase 2 maximum of 6 people allowed on the green at any one time**
- **Groups should be limited to a maximum of 3 groups (total 6 people)**
- **Example 1 family group of 3 and 1 group of 2**
- **Example 2 Family group of 3 plus one from outside family group, one other group of 2 (Maximum 6 people)**
- **Groups should maintain social distancing and keep up to 4 metres between groups to allow for social distancing between groups.**
- Club Schedule of Attendance (**names, dates & times must be recorded**) produced to ensure limited attendance should be maintained (record of green availability should be maintained)
- Club to appoint a central contact (To enable track and trace records should this be required)
- Only Club members allowed on a Green
- Ensure that your Insurance cover is up to date, Endsleigh Cover is dependant on membership of BCGBA (club fee £35.00)
- Each Club will have to make their own assessment of the safety in opening your green
- Arrangements should be made to manage the social distancing and all other hygiene procedures
- You will need to ensure you have your landlord's permission to open the green if this applies
- Maintenance schedule will need to be reviewed to ensure green is available for play prior to opening
- **Club Buildings and toilets can open see separate guidance sheet – limited opening**

This Action Plan/ Risk Assessment should be used in conjunction with advice from the Government and is intended as a guide to clubs to safely consider all the risks associated with reopening your green. This does not override your landlords right to keep the green closed

Recommendations to consider before opening your green

Be aware that this guidance could change at any point and could be withdrawn if the risk level increases

Crown Green Bowls - The Opening of Greens

GUIDANCE FOR INDIVIDUALS:

- Only use your equipment brought from home (jacks, mats, bowls etc.)
- Sterilize equipment before and after use
- Keep strict social distancing measures in place - you must remain at a safe distance (2 metres) from people outside of your household.
- Follow strong hygiene practices at every opportunity - wash your hands when you get home
- You must have permission from your club to use the green
- Your club will have an agreed process for you to agree a time for you to access the green
- Once you have completed your session, please depart as soon as you safely can to enable others to access the green.
- You may only play on green if you are a member of the club
- **Limited access to clubhouse, walkways and toilets. Ensure risk assessment and notices are displayed on hygiene and handwashing.**

DO NOT

- Do not use club equipment, • Do not organise any competitive bowls. • Do not turn up at the green without prior agreement from your club

THINGS TO THINK ABOUT:

- Being careful about touching solid surfaces e.g. gates, seating, doors, etc.
- Wash your hands as soon as you get home, avoid touching your face and take hand sanitiser with you to use while out if possible

NOTE FOR CLUBS:

- Your Club must have written authority from the landlords of the green that you can gain access to the green under the strict guidelines laid out in this document and then follow all guidelines. • It is the clubs' responsibility to decide if your facility is open. • Please check that your insurance is valid
- You must have a clear process for knowing who is playing at the green, make this as clear as you can for your club members to understand and abide by.
- Please place a sign in clear view of all visitors of the guidelines set out above.
- Do not use clubhouse and any toilet facilities connected with the Club, ensuring there is clear signage to state this
- Do not use club equipment
- **Do not organise any competitive bowls - No Competition's, Leagues Matches, or Tournaments**
- **Only Club Members will be allowed on your Green.**

This Action Plan/ Risk Assessment should be used in conjunction with advice from the Government and is intended as a guide to clubs to safely consider all the risks associated with reopening your green. This does not override your landlords right to keep the green closed

Green opening plan – post corona virus

Risk (from risk assessment)	Actions to treat risk	Person responsible	Timetable for implementation	Monitoring of risk
Social distancing	Only partake in such activities alone, with members of your household, or with one other person from outside your household, while practising social distancing	Clubs/ Committee	To Be Agreed	All Players
Equipment	Players should bring their own equipment, bowls, jacks and mat where possible. This should avoid inter group contact. Equipment should be cleaned prior to and after a session.	Clubs/ Committee	To Be Agreed	All Players
Juniors	Under 18's should only play within a household group, maximum 3 people plus one other.	Clubs/ Committee	To Be Agreed	
Family Groups	Family groups can play together but should minimise potential contact with any other group on the green. (Single Household) plus one other.	Clubs/ Committee	To Be Agreed	All Players
Over 70's	This group have additional risks due to the nature of the virus and additional conditions should be adopted to keep everyone safe.	Clubs/ Committee	To Be Agreed	All Players
Opening of buildings	Risks should be assessed once permission is agreed to open club facilities. Opening of toilets will need to be assessed separately along with facilities for handwashing and cleaning.	Clubs/ Committee	To Be Agreed	Club Committee

This Action Plan/ Risk Assessment should be used in conjunction with advice from the Government and is intended as a guide to clubs to safely consider all the risks associated with reopening your green. This does not override your landlords right to keep the green closed

Risk (from risk assessment)	Actions to treat risk	Person responsible	Timetable for implementation	Monitoring of risk
Social distancing	Only partake in such activities alone, with members of your household, or with one other person from outside your household, while practising social distancing	Clubs/ Committee	To Be Agreed	All Players
Hygiene	Clubs and individuals to follow guidance set out which will minimise the chance of cross contamination	Clubs/ Committee	To Be Agreed	All Players
Toilets and buildings	Opening of toilets and facilities should be risk assessed to ensure hygiene and cross contamination is minimised and notices placed to ensure all are aware. Posters to advise the washing of hands. Only walkways, passageways should be available.	Clubs/ Committee	To Be Agreed	Consider the risks and requirements of cleaning protocol following use of the toilets after each use by club members to minimise cross contamination
Facilities	Catering for takeaway only, consideration should be given if planning to allow tea and coffee making as to how you can minimise the potential for cross contamination. This area relates to the larger clubs that have people managing a catering facility. This should not allow social gatherings which are currently restricted to 2 persons.	Clubs/ Committee	To Be Agreed	Consider risk of washing up, how drying can be done without re-use of cloths. ie. Paper towels, paper cups how will rubbish be disposed of etc. How can Tea, coffee sugar, milk be shared without cross contamination issues
